Career Summary

Passionate Computer Science student with a strong foundation in programming and web development. Skilled in C++ and problem-solving, with experience in competitive programming. Enthusiastic educator, currently teaching ICT & Mathematics at Doubt Solve Academy. Experienced in building projects like Amazon clones, portfolio websites, and C++ applications. Dedicated to continuous learning and mentoring students in programming and technology.

Education

BSc in Computer Science & Engineering
University of Barishal, Barishal
Year of Study: 2024 – Present

Experience

ICT & Mathematics Teacher
Doubt Solve Academy (DS Academy)
Jan 2024 – Present
• Teaching ICT and Mathematics to students of various academic levels.
• Developing structured lesson plans and study materials.
• Providing personalized guidance and problem-solving strategies.
• Mentoring students in programming and computational thinking.
• Conducting online workshops and doubt-solving sessions.

Skills

• Programming Languages: C, C++, HTML, CSS, JS.

• Technologies: MS Office, VS Code, CodeBlocks, Canva, etc.

• Other Skills: Problem-Solving, Teamwork, Leadership, Teaching

Languages

• English (Fluent) • Bangla (Native) • Hindi (Conversational)

Achievements & Awards

• **2-Star Coder** on CodeChef, close to achieving a 3-star rating.

• **Solved over 900** problems on various coding platforms (CF, CC & LC).

• Recognized as the **Best Performer** of Phitronista'25 by Phitron.

• Awarded as the **Amazing Leader** of June 2025 by Shohoj Coding.

Volunteering Experience

• **Joint R&D Secretary** – Barishal University IT Society (2025-Present)

• Volunteer – Street Food Vending Project by Barishal City Corporation (2020-2021)

• **Senior Patrol Leader** – Nooria Secondary School Scouts (2020-2021)

• Member – Bangladesh Scouts (2017-2021)

Certifications & Courses

• Communication & Client Handling – CodemanBD

• HTML & CSS, WordPress Development – CodemanBD

Projects

• **Smart-Student-Manager** – Built in C++ using DSA to efficiently manage and display large student datasets.

• **TaminWeb** – A personal portfolio website showcasing projects and achievements built using HTML, CSS & JS.

• Tic-Tac-Toe Game – Created a CLI-based Tic Tac Toe game in C++ using fundamental programming logic.

• **Amazon Clone** – Designed and built a static replica of Amazon's homepage using HTML and CSS.

Extracurricular Activities & Leadership

• **Founder** – CodeBreakers Alliance (Competitive Programming Group)

• Founder & Mentor – Doubt Solve Academy (DS Academy)

Interests & Hobbies

• Solving coding problems • Listening to music • Watching movies • Learning Japanese
• Travelling • Teaching
